# AN INTRODUCTION TO HIREPOOL GROUP

Hirepool Group is a proud New Zealand business with a strong history behind it. Having been involved in most of the large film productions that have taken place in New Zealand in recent times, we understand the film sector and our ability to working alongside you as a partner is our point of difference.

We present a comprehensive offering across the different divisions within the Hirepool Group that includes Marquees, Sanitation, Vehicle Rentals, Generators & Lighting, Fencing & Barricading and General Equipment Hire. There is no single hire company that can supply the breadth of offer that Hirepool Group can offer in any location across New Zealand.

**CURRENTLY**

**70 BRANCHES /  
650+ EMPLOYEES**
